Our NEW isolved release goes live

May 19, 2023

Release 9.9 has some exciting new additions! We are working hard to provide the best tools for you and your team.

isolved Platform

In this release:

- Screen Updates
- Biometric Information Privacy Act (BIPA): Firmware Update

Screen Updates

Over the next few months, you will see that we are refreshing several screens, moving them to a more modern look using the new grid style that you have already seen on other newer screens. The overall functionality remains the same with some differences noted below.

This is an example of the previous version of the Prior Employment screen:

Prior Employment

Employer	\$ Job Title	\$ Start Date	End Date	Ending Salary	
BC Finance Company	Project Manager	1/16/2012	6/25/2020		
lig Box Retailer	Stockperson	12/5/2020	1/15/2012	\$20,800.00	
PRIOR EMPLOYMENT DETAILS					
Employer: ABC Einance Company					
Job Title: Project Manager					
Start Date: 1/16/2012					
End Date: 6/25/2020					
Salary Info: Annual					
Ending Salary:					
Ending Hourly Rate:					
Job Description:					
Change Reason: Reduction in staff					
Manager/Reference					
Location:					

This is an example of the new screen, where you can sort, filter, group, and view all pieces of information:

Firmware Update

The firmware update associated with BIPA is scheduled to be available on 5/19. This allows enrolling employees to consent and current clock users can view and/or update their consent status from the Menu screen if using an NXG model with a touch pad. Users will not be required to consent (if they have not yet done so) until the rollout is complete in July.

When enrolling or when an employee needs to consent, they are shown the consent screen and both buttons are grayed out. Once the employee scrolls to the bottom of the screen they can select one of the two options.

	Consent for Biometric Device Usage:	B
	By using any isolved provided device (" Device "), you acknowledge, agree, permit and consent that isolved - the provider of the Device to your employer - may view, collect, use or store personal, biometric or non-public information about you. Before using the Device, please indicate by clicking or signing in one of the boxes below whether or not you acknowledge, agree, permit and consent to allow isolved to use your information as described.
