Adaptive Employee Experience: Employee Assignments

In our v9.11 release, we are adding a feature where managers and supervisors can be given the role to assign Employee Messages through Adaptive Employee Experience. This is found under Manage > Employees on the Assignments tab.

The screenshot shows the 'Employee Assignments' interface for 'Edeman, Kylie Renee'. The interface includes a navigation menu on the left with options like Employee, Employer, Position, Absences, Assignments (highlighted), and Documents. The main content area shows a list of assignments with columns for Type, Title, Effective, Expires, and Display Order. A 'Status' dropdown is set to 'All', and an 'ADD MESSAGE' button is visible. The table contains the following data:

Type::	Title::	Effective::	Expires::	Display Order::
Message	Direct Deposit	05/09/2023	05/18/2023	0
Message	Kylie Edeman Test	03/01/2021		
Message	Name and Address	03/24/2022		
Notice	NY All Employees-Pay Rate Change	01/19/2022		1
