Dear GTM Client,

My name is Jennifer Labulis, and I am writing to introduce myself as your newly appointed dedicated Account Manager.

Please take a moment to visit our website at GTM.com and explore the many services and solutions that GTM offers. Should you desire more information on any of our service offerings, I would welcome the opportunity to speak with you regarding what we can do to satisfy you and your business needs.

Rest assured that if you have a specific question or concern, our goal is to do whatever is necessary to find you the answers you need in an expeditious manner. You will not have to go through multiple steps or multiple people; I am here to ensure that your experiences with us are helpful, informative, and hassle free. If, for some reason, I am not available in the time frame you need, please reach out to my supervisor Brianna Brann or my manager Wendy Crespo for assistance.

Thank you for choosing GTM as your payroll service provider. I look forward to getting to know you and your business in order to provide you with the high-level of service that GTM's clients deserve and have come to expect. Please feel free to contact me directly at (518) 836-2575, or you can email me at j.labulis@gtm.com

Sincerely,

Jennifer Labulis

Help Within isolved

The isolved platform allows you to easily access assistance from any page.

You can search for anything in your account in the panel menu on the left, and there are buttons to access the University and Help sections of the platform in the upper right of your screens within the system:

The image shows two screenshots from the isolved platform. The top screenshot is the 'Client Summary' page for 'GTM Business Demo Account'. It features a left-hand navigation menu with 'EMPLOYEE MANAGEMENT' selected. The main content area is divided into several sections: 'LEGAL NAME' (Name: GTM Business Demo Account, DBA Name, FEIN: 11-1111111, Address: 7 Executive Park Drive, City: Clifton Park, State: New York, Zip Code: 12065), 'CONTACTS', 'PROCESSING INFORMATION' (a table with columns for Pay Group, Frequency, Active EEs, Input Method, Output Method, Last PR Processed, and Next PR Scheduled), 'TAX FILING SERVICE' (checkboxes for Full Tax Filing and Tax Alert), and 'OTHER SERVICES' (checkboxes for 1099 Electronic Filing, 1099 Print/ESS Display, ACA Electronic File, and ACA Forms Print). The bottom screenshot is the 'Preview Payroll' page, showing 'Next Payroll Run' and 'Last Payroll Processed' tabs. It includes a 'Preview Payroll' section with a 'Preview' button, a 'Timecard Review Reports' section with an 'Alert Occurrence Count Report' dropdown and a 'Go' button, and a 'Payroll Details' section with fields for Run Type, Run Date, Pay Date, Period Begin Date, and Period End Date. A 'Check Stub Message' section with a '+ Check Stub Message' link is also visible. In the top right corner of the second screenshot, there are buttons for 'Isolved University' and 'Help'.

Payroll Submission Process

To process your payroll efficiently, follow this process when submitting your payroll hours to GTM.

Submit your payroll by 3 p.m. ET at least two business days prior to the check date.

This will allow your Account Manager time to accurately update any changes needed, validate, and process. Most importantly adhering to this deadline will allow banks the time needed to guarantee your check date. We cannot guarantee that direct deposits will be available in your employee's bank accounts on your pay day if the hours are not submitted by 3 p.m.

If you submit your payroll after the processing deadline*, you can:

- Process your payroll one business day before check date and be assessed a \$25 late processing fee. Again GTM cannot guarantee the funds will be deposited via ACH timely into your employee's bank accounts.

OR

- If you are processing the same day you have the option to process for SAME DAY ACH for a \$50 fee. This will ensure the funds will hit your employee's account by the end of day on the check date. Please note this is a last resort and not an option that you should do every payroll.

*Note that GTM cannot guarantee your ACH check date if you submit past the deadline.

Please contact your Account Manager if you have questions.
