

**Holiday Processing schedule:
November – January**

In observance of the upcoming holidays, please take note of important holiday hours and processing schedules.

GTM's offices will be observing the following holiday schedule:

- Thursday, November 28, 2024 – Thanksgiving – **Closed**
- Wednesday, December 25, 2024—Christmas – **Closed**
- Wednesday, January 1, 2025—New Year’s Day - **Closed**

Due to the Federal Reserve Bank’s observance of these holidays, it may affect your payroll processing cutoff times, including direct deposit. We will **not** be sending a bank file, and checks should not be dated for November 28, 2024, December 25, 2024, or January 1, 2025.

Payrolls need to be submitted at least two business days in advance of the check date to allow sufficient time for payroll funds and employee direct deposits to be received and posted by the check date. **Due to strict banking rules, we will not make exceptions to the two-day rule. If you need to process one day before, you will be required to wire funds. Payroll processing must be completed by 3:00 p.m. on the processing date.**

Pay Date	Process On or Before	Processing Notes
Monday, Nov. 25	Thursday, Nov. 21	Normal processing
