

MWI & GTM Payroll Services have come together to bring you a powerful and easy-to-use Payroll, HR & Automated Timekeeping offering. This partnership gives you access to competitive pricing and quality service. GTM Payroll Service's intuitive online payroll system offers everything you would expect from a top payroll provider.

Service Offerings

Cloud-Based Payroll

You'll have real-time access to our web-based application from anywhere, at any time.

Manage your timekeeping needs online.

Employees can clock in and out, you can verify and edit their punches, see updated totals and run reports.

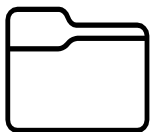

Tax Filing

GTM files ALL your local, state, and federal payroll tax withholding and deposits for you.

Dedicated Support

Direct line access to information you need - quickly, professionally, and when you need it.

W-2 Processing GTM handles all the processing, printing, and mailing of your employee W-2 forms and reports.

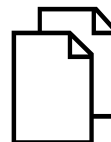

Payroll Services Pricing

GTM will guarantee a 20% savings or more with a 2-year rate lock when you make the switch!

HR On Demand

Review your current practices and employee handbook with GTM's team of HR professionals.

Reporting

Easy to read payroll reports are sent via email directly to you.

Bridging Payroll, Human Resources, and Timekeeping.
