### *GTM Once Again Passes Rigorous Audit*

CLIFTON PARK, NY – (December 17, 2014) – GTM Payroll Services Inc. – the fast growing Clifton Park based leader of payroll and human resource management for businesses and household employers – announced that once again the company has achieved third-party validation under the SSAE 16 attestation standard.

The SSAE 16 standard is an internationally-recognized standard developed by the American Institute of Certified Public Accountants (AICPA) that is recognizable as a mark of service quality. GTM's SSAE 16 compliance provides assurances regarding specific control objectives and systems designed to meet their customers' unique needs. The SSAE 16 standard compliance reflects the accuracy of GTM's documentation in relation to its corporate policies and the extent to which they govern the company's day-to-day management, personnel controls, infrastructure and security controls.

Our entire team works diligently to ensure that GTM's operations and systems continue to uphold and adhere to the principles set forth by the AICPA," added Todd Maddalone, Vice President of Operations at GTM. "This achievement is just one more example of our on-going commitment to maintaining the highest standards of security, transparency and compliance for our partners and clients."
