

EasyPay[®] HR Platinum

A complete payroll, tax, and HR compliance service for high-net-worth families with household help

Being a household employer is not easy. Household employment is complex with lots of moving parts: payroll, taxes, insurance, human resources, compliance.

That's why **EasyPay HR Platinum** - created exclusively for high-net-worth families - combines GTM's comprehensive payroll and tax services with employment best practice guidance and labor law compliance. It's all led by a PHR-certified HR professional and backed by an experienced team of household payroll, tax, and insurance experts.

Enjoy satisfied, engaged workers while mitigating the risk of lawsuits and penalties for not following federal, state, and local labor laws. You have a lot to lose when mistakes are made. Get peace for mind knowing your household employment is being managed for you ... the right way.
