

# HOUSEHOLD HR SERVICES

## About Household HR

It's not enough to simply hire an employee. To ensure a safe and happy home, you must ensure a safe and happy workplace by following and implementing human resource best practices in your household.

Led by a PHR-certified HR advisor, GTM's Household HR Services will help you retain top personnel, hire the best fits for your positions, and comply with labor laws.

You'll see increased employee performance and satisfaction and can mitigate the risk of an employee lawsuit or financial penalties for violating tax, wage, or labor laws.

**Best of all, you'll have peace of mind in your home.**

With GTM's Household HR Services, you'll create a professional workplace with best-in-class hiring and employee management practices.
