

## EASYPAY<sup>®</sup> DIAMOND

### About EasyPay Diamond

Recruiting and retaining top-tier talent is competitive, and household employers must go beyond salary to stand out.

Establishing a positive workplace culture and offering health benefits signals to employees that they are valued professionals, not just service providers.

By enrolling in EasyPay Diamond, you'll work with payroll, human resources, and employee benefits experts to establish labor law compliance, workplace best practices, and customized benefits packages.

### Why Choose GTM?

GTM has been partnering with household employers for over 30 years, providing expertise in payroll, labor compliance, employment best practices, and benefits administration, so our clients enjoy peace of mind and smooth-running households.

With our experience, we can streamline your household employment administration and provide expert advice and exceptional client support every step of the way.

### What We Offer

#### Payroll & Taxes Services

Employer setup with tax agencies, automated payroll management with direct deposit, and all tax filings.

#### Timekeeping & PTO Tracking

With integrated timekeeping and PTO tracking, electronic timesheets flow directly into payroll for processing.

#### Household HR Services

Comprehensive employer management guidance with a certified Household HR advisor.

#### Benefits Package Design

Consultant with an employee benefits expert and receive a customized package to meet your needs and budget.

#### Insurance Plan Enrollment

Ease the burden of enrolling in compliant health care options (including health, dental, vision, and HRAs) for your employee.\*

#### Expert Support

Payroll, tax, human resources, and benefits professionals will provide expert advice and guide you through every process.
