

EASYPAY® HR PLATINUM

About EasyPay HR Platinum

Household employment is complex with lots of moving parts: payroll, taxes, insurance, human resources, compliance. That's why EasyPay HR Platinum combines GTM's comprehensive payroll and tax services with employment best practice guidance and labor law compliance.

It's all led by a PHR-certified HR professional and backed by an experienced team of household payroll, tax, and insurance experts.

Why Choose GTM?

GTM has been partnering with household employers for over 30 years, providing expertise in payroll, labor compliance, employment best practices, and benefits administration, so our clients enjoy peace of mind and smooth-running households.

With our experience, we can streamline your household employment administration and provide expert advice and exceptional client support every step of the way.

What We Offer

Payroll Services

Simple employer setup, automated payroll management with direct deposit, and an online self-service dashboard.

Tax Services

Taxes remitted on time, every time, with automated withholdings and optional year-end service.

Expert HR Support

Onboarding, HR best practices, job descriptions, handbooks, work agreements, harassment training, labor law posters, and more.

Employee Management & Benefits

Guidance on insurance coverages and benefit offerings like paid sick leave; health, dental, and vision insurance; and retirement plans.
